

## New Club/Society Affiliation Criteria 2022/23

Please consider your application in line with the following criteria:

1. The club/society must not conflict with Students' Union UCL's Memorandum and Articles of Association, Byelaws or policies. They can be found on the union website:  
<https://studentsunionucl.org/governing-documents>
2. New clubs/societies should not significantly overlap with any activities provided by existing clubs and societies. Please refer to the clubs/societies directory on the union website:  
<https://studentsunionucl.org/clubs-societies/directory>
3. There must be proven interest in the new club/society from UCL students. This can be demonstrated through the application form and from gathering 30 signatures from UCL students.
4. That applicants can demonstrate how the new club/society would enhance the student experience at UCL.
5. The activities of the club/society must be practical for the union to support within its current resources. A club/society that the union cannot provide suitable resources for may not be affiliated.
6. Every new club/society must be open to all members of Students Union UCL.
